

PRESS RELEASE

Somerset Books today released **Blue Guide Central Italy**. This completes Blue Guides' new coverage of mainland Italy. Not only are Rome and Florence in the same Blue Guide for the first time, but it also includes parts of Lazio - the region around Rome - which have not been in a Blue Guide since the 1950s. There is also more coverage of the major Etruscan sites, generally over-looked by many guide books, but which provide a fascinating insight into a lost civilization of the pre-Roman world. March 2008
