# INDEX

---

Museums and galleries featured in this book are indexed in bold upper case. All artists, architects and craftsmen whose works are mentioned are indexed too. There are also subject references (e.g. Porcelain) which take you to the major collections of work in that field. Prominent figures from history are referenced where they are mentioned in connection with museums, artists or artworks. Major works of art are given in italics. Italicised numbers are picture references. Bold numbers are major references.
