The author

Paul Blanchard was born in Amsterdam, New York. He studied art history in Florence and has lived in Italy since 1975. He has taught at the Italian study centres of several American universities, has shown his own artwork (which includes a large body of landscape photographs) in Europe and the US, and has lectured on college campuses throughout the US. He has published widely in North America, Great Britain, France and Italy, and has contributed to European and American art magazines.
