

# BLUE GUIDES

## PRINT ON DEMAND TITLES ONLY

### SPECIAL REPRINT EDITIONS

We do special reprints, printed on demand, of core Blue Guide titles that are out of print and where no new edition is expected soon. They are black and white and for copyright reasons may not include all the original photographs, but the quality Blue Guides text and the mapping are all there in full.

The classic old blue and white "SPECIAL REPRINT EDITION" covers, featuring the cover of the old title in miniature, indicate that these are reprints of old classics. This presentation also manages expectations, these are clearly not, and are not meant to be, the newest, most up-to-date editions.

### SHORT PRINT RUN

Specialist titles focusing on a smaller area than in a core Blue Guide. Also printed on demand

These perfect-bound volumes are not to the same high production standards as the classic, thread-sewn core Blue Guides, but print on demand quality has improved and we are slowly introducing full colour as well to these specialist titles..
