### About BLUE GUIDE CENTRAL ITALY

Central Italy completes Blue Guides' geographical coverage of the regions of Italy, with Northern Italy (2005), Sicily (2006) and Southern Italy (2007) all having been recently released. It is a first edition of this title, the first Blue Guide to cover both Rome and Florence in one book, as well as the attractive countryside and towns rich in art history in between the two, with Blue Guides' depth of research and up-to-date scholarship. (Note that for the reader who wants more detail there are recent Blue Guide Florence and Rome titles; this book obviously overlaps with them to some extent.) Includes "Blue Guides Recommended" dining and accommodation suggestions.

Author Alta Macadam is a Florence-based art historian who has been writing some of Blue Guides' best-known titles for many years. She lives in Florence, where she has been associated with the Bargello museum, the Alinari photo archive, Harvard University at I Tatti, and New York University at Villa La Pietra.

Ellen Grady is the author of Blue Guide Sicily and Blue Guide the Marche & San Marino.
