*The 19th edition of this accessible, detailed guide to the great metropolis of London is an essential handbook for travellers and residents alike. The focus is on history, art, architecture, the built environment and the historic figures who have made London what it is.*

*Completely updated, this new edition is in full colour, with photographs, superb plans and illustrations, and detailed maps. There is also a section of practical tips, including key places to eat and drink.*

*The depth of information and quality of research make this book the best guide for the independent cultural visitor as well as for all students of art, history and architecture. It is ideal as an on-site guide as well as an armchair or desk resource.*

The best-presented, best-researched cultural guide books in the English language

**‘Ideal for cultural exploration’**
