### About BLUE GUIDE TUSCANY

Tuscany, with Florence its capital and a host of gorgeous medieval cities set in a rolling countryside of fields, woods, vineyards and olive groves, is the cradle of the Renaissance and for many visitors the cultural heart of Italy. This in-depth cultural guide amply covers Florence (itself the subject of a whole Blue Guide) but also gives extensive coverage to the other major Tuscan cities – Siena, Pisa, Lucca, Cortona, Arezzo etc – not covered in such detail elsewhere in a Blue Guide. This is the first time this title has been produced in full-colour in the well-received new Blue Guides re-edited, re-presented look. Ideal for the Florence-based visitor making day-trips to the surroundings, or for a tour of the whole of Tuscany. Includes Blue Guides Recommended short lists of hotels and restaurants.

Alta Macadam is one of the Blue Guides' best-selling authors. She is a Florence-based art historian who has written a number of art history books and contributes to the work of Harvard University at Villa I Tatti and New York University at La Pietra in Florence.
