### NOW ALL COLOUR

The 10th edition of this accessible, detailed guide to the unique city of Venice is an essential handbook for any traveller who wants to fully understand the existence and future challenges of this extraordinary place, as well as its history, art, architecture, cuisine and culture.

Completely updated, this new edition is in full colour, with photographs, superb plans and illustrations, detailed and accurate maps of the labyrinthine streets and canals. Venice has some of the leading artists in the Western world and there is now a new full glossary of artists. There is also a section of practical tips, ideas on food and wine and how to navigate the transport system.

The depth of information and quality of research make this book the best guide for the independent cultural traveller as well as for all students of art history, architecture and Italian culture. Ideal as an on-site guide as well as a desk resource.

The best-presented, best-researched cultural guide books in the English language

**‘Ideal for cultural exploration’**
