Launched spring 2004, the art/shop/eat pocket guides combine a great contemporary look with the thoroughness of research expected from a Blue Guide publication, making them the perfect choice for the weekend or short break city destination tourist.

The art/shop/eat series gives you:

- Selective, high-quality coverage of the leading museums and galleries
- Where to see the best art
- Great eateries, from regional cuisine to innovative new trends, with places for all budgets
- The high art of shopping, with the stores you simply can't miss

art/shop/eat Prague helps you find your way through the cobblestone streets of one of the most popular destinations for weekend trips. 'Magical Prague'...the term is almost a cliché, yet it is perfect for a city where an emperor immersed himself in alchemy, where Doctor Faustus sold his soul to the devil, and the golem was fashioned from mud. For art lovers this guide opens up a new world, from Baroque churches to Czech Cubists, and directs you to the best shops and restaurants for all those moments in between.

With vital practical advice, and colour maps and museum plans, art/shop/eat is all you need for a weekend of fun, culture and pure indulgence.

art/shop/eat is a Blue Guide ® publication
